

### "Technology Leadership"

- Flat, flexible ZIF cables
- Industry-standard mating connectors
- Gold plated options for optimal performance
- Shielding for EMI/RFI protection

### "The Safe Choice"

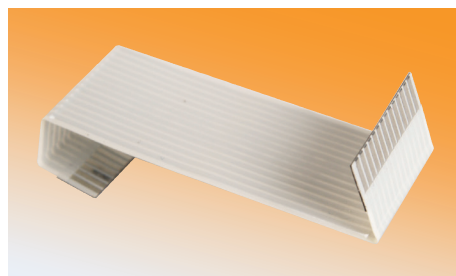

- Reliable connection method for multiple PCBs
- Proven results in medical and industrial equipment
- RoHS, REACH compliant and UL rated
- Rapid prototyping

## Parlex Flexible Interconnects with Zero Insertion Force Connectors

Ease of assembly

Folding, bending and creasing options

Parlex custom length cables offer multiple spacing, wide range of conductor counts, and a variety of termination and locking options
